

Lummi Nation Connect

RIGHT OF ENTRY AGREEMENT

This Right of Entry Agreement ("Agreement") is made and entered into by and between the undersigned property owner or authorized representative ("Owner") and Lummi Nation Connect ("Company"). The purpose of this Agreement is to allow the Company and its authorized contractors to access the property for the installation, maintenance, and operation of fiber optic broadband infrastructure.

1. PROPERTY INFORMATION

Property Address: _____

City, State, ZIP: _____

Owner/Resident Name: _____

Phone & Email: _____

2. SCOPE OF ACCESS

Owner hereby grants the Company, its employees, agents, and contractors the right to enter upon the property described above for the purpose of installing, inspecting, maintaining, repairing, replacing, and operating fiber optic cable, conduit, and related telecommunications equipment. This right includes temporary use of the property necessary to complete work safely and efficiently.

3. TERM OF AGREEMENT

This Agreement shall commence upon the date of signature by the Owner and shall remain in effect until installation and restoration are completed, unless extended by mutual written agreement or as necessary to maintain installed equipment.

4. RESTORATION OF PROPERTY

The Company agrees to use reasonable care during its work and to restore the property as nearly as practicable to its original condition upon completion of the work.

5. LIABILITY AND INDEMNIFICATION

The Company shall be responsible for any damages directly caused by its negligence during installation or maintenance activities. Owner agrees to hold the Company harmless from any claims arising out of conditions not caused by the Company or its contractors.

6. OWNERSHIP OF EQUIPMENT

All equipment installed by the Company shall remain the property of the Company. The Owner shall not relocate, modify, or interfere with such equipment.

7. ACKNOWLEDGMENT

Owner acknowledges that this Agreement does not convey ownership of any part of the property to the Company, but merely provides a temporary right of access for the purposes stated herein.

8. SIGNATURES

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.

Signature: _____

Date: _____

Check One: Service Line Install Only At This Time _____ OR, Also Interested In Service Activation _____

9.A OPTIONAL

Owner grants permission for exterior service line work (drop install) to be completed if Owner or an Owner designated representative is not present.

Yes_____

No_____

If Yes, are there any impediments or circumstances that service line technicians should be aware of (please check all that apply):

- Unrestrained or Aggressive pets_____
- Gates or Fences_____
- Irrigation lines_____
- Vegetation blocking access to
existing service line path_____
- Other (please describe)_____

9.B OPTIONAL

Standard practice for new telecom service lines is to follow the path of existing power lines to the premise. If a different attachment location is preferred please describe below.

If Owner opts for a different location, and will not be present during install please provide a best contact number for a technician to reach out to with questions

Alternate contact #_____

To turn in forms please use one of the following options:

- Scan and email to Broadband@lummi-nsn.gov
- Snap a pic of both sides of the form and email to Broadband@lummi-nsn.gov
- Hand off physical form to any StarTAK technician
- Hand off to lobby receptionist at the Lummi Nation Administrative Center at 2665 Kwina Rd, Bellingham 98226
